UNITED STATES INTELLIGENCE BOARD
MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Sanitized Version of DCID No. 1/16
for USIB Contractors and Non-USIB
Government Agencies

REFERENCE : USIB-D-9.3/6, 8 January 1971

1. The enclosed memorandum on the subject from the Chairman, Security Committee requests that the USIB approve the use of the attached sanitized version of DCID No. 1/16 by USIB contractors and non-USIB government agencies. The sanitized version was developed by the Computer Security Subcommittee to meet an acute requirement to disseminate the substance of DCID No. 1/16 outside the intelligence community where sensitive compartmented information is processed by computer.

2. The Security Committee recommends that the sanitized version of DCID No. 1/16 be distributed as a CONFIDENTIAL document, on a selective basis through the compartmented control officers, but without compartmented controls.

USIB ACTION REQUESTED

3. Board Members are requested to advise the Secretariat by close of business 17 December 1973 of their concurrence in or other views on the Security Committee recommendation in paragraph 3 of the attachment.

UNITED STATES INTELLIGENCE BOARD
SECURITY COMMITTEE

MEMORANDUM FOR: Executive Secretary, USIB

SUBJECT : Sanitized Version of DCID No. 1/16
for USIB Contractors and Non-USIB
Government Agencies

1. Earlier this year, the Computer Security Subcommittee identified a requirement for disseminating the substance of DCID No. 1/16, "Security of Compartmented Computer Operations", outside the Intelligence Community where sensitive compartmented information is processed by computer. This requirement was acute at certain USIB contractor installations and in non-USIB Government agencies involved in the computer processing of compartmented material.

2. In response to my request, a sanitized version of Director of Central Intelligence Directive No. 1/16 has been developed by the Computer Security Subcommittee to meet the aforementioned requirement at the USIB contractor installations and in non-USIB Government agencies involved in the computer processing of compartmented material. This sanitized version of DCID No. 1/16 was approved by the Security Committee at its 30 October meeting.

3. It is proposed that the attached sanitized version of DCID No. 1/16 be distributed as a Confidential document, on a selective basis through the compartmented control officers, but without compartmented controls.
